NYLON TRIMMER LINE FALCON BRUSHCUTTER LINE 5KG PER BUNDLE (GBQ24K50)

One of the good reason for you to opt for a square trimmer line. These edges facilitate cleaner and faster cutting, especial as a clean cut minimizes the grass' susceptibility to infection. A square line is also ideal for whacking excessively thick vegetation. You'll clear such areas much faster with square trimmer line. Description of trimmer line: • 5kg Bundle Square line (Eco Trim) for grass cutting • Thickness: .095"/2.40mm • Colour: Green
